WHO WE ARE

The United Church of Christ acknowledges as its sole head, Jesus Christ, Son of God and Saviour. It acknowledges as kindred in Christ all who share in his confessions. It looks to the Word of God in the Scriptures, and to the presence and power of the Holy Spirit, to prosper its creative and redemptive work in the world. It claims as its own the faith of the historic Church expressed in the ancient creeds and reclaimed in the basic insights of the Protestant Reformers. It affirms the responsibility of the Church in each generation to make this faith its own in reality of worship, in honesty of thought and expression, and in purity of heart before God. In accordance with the teaching of our Lord and the practice prevailing among evangelical Christians, it recognizes two sacraments: Baptism and the Lord's Supper or Holy Communion.

- From the Preamble to the Constitution

of the United Church of Christ

ORIGINS

The United Church of Christ came into being in 1957 with the union of two Protestant denominations: the Evangelical and Reformed Church and the Congregational Christian Churches. Each of these was, in turn, the result of a union of two earlier denominations.

The Congregational Churches were organized when the Pilgrims of Plymouth Plantation (1620) and the Puritans of the Massachusetts Bay Colony (1629) acknowledged their essential unity in the Cambridge Platform of 1648.

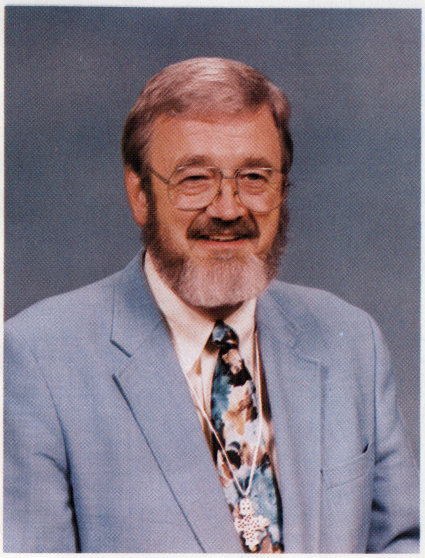

The Reformed Church in the United States traced its beginnings to congregations of German settlers in Pennsylvania founded from 1725 on. Later, its ranks were swelled by Reformed folk from Switzerland and other countries.

The Christian Churches sprang up in the late 1700s and early 1800s in reaction to the theological and organizational rigidity of the Methodist, Presbyterian, and Baptist churches of the time.

The Evangelical Synod of North America traced its beginnings to an association of German Evangelical pastors in Missouri. This association, founded in 1840, reflected the 1817 union of Lutheran and Reformed churches in Germany.

Through the years, members of other groups such as Native Americans, African Christians, Asian Americans, Volga Germans, Armenians, Hungarians, and Hispanic Americans have joined with the four earlier groups. Thus the United Church of Christ celebrates and continues a wide variety of traditions in its common life.

Dr. Garry A. Scheuer Jr.
Pastor

Dear Friends and Members of St. Mark:

We are celebrating our Tenth Anniversary as a Church. Together, we have shared "the cost and joy of discipleship." We have come through many high times of celebration and helped one another through hard times and tragedy. We have shared tears and laughter.

Together, we have shared God's mission in this time and place. We have worked hard and sacrificed. We have rejoiced in one another and in God's calling through Jesus Christ, our Lord.

Gratitude goes to each member and a special thanks to our volunteer staff.

We look forward to the next decade and beyond. Praying to God, we seek to be even better stewards of the future than we have been of the past.

In Christ's Service,

Dr. Garry A. Scheuer, Jr., Pastor
